

Deliverable D 1-5

Project Networking – Visits

This Deliverable is outcome of Action D1: “Dissemination Planning and execution”. The networking of LIFE DIANA throughout its duration is thoroughly reported.

All partners of LIFE DIANA were involved in the strategic dissemination plan of the project and participated in activities including presentations and speeches in other project meetings, clustering events, conferences, organizations assemblies and institutions courses. Moreover, LIFE DIANA has been subscribed to two platforms aiming to collaborate for the circular economy.

Targeted stakeholders were informed about LIFE DIANA project and its results through the extensive promotional activities.
